The following documentation is also related to this policy:

- Prevent – how well-maintained schools implement their duties under the Counter-Terrorism and Security Act 2015 (Estyn 2020)
- Dealing with Allegations of Abuse against Teachers and other Staff: Guidance for Local Authorities, Headteachers, School Staff, Governing Bodies and Proprietors of Independent Schools (DfE)

We are committed to safeguarding and promoting the welfare of all children and we take account of the information contained in the DfE documents 'Working Together to Safeguard Children' and 'Keep Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE 2015)' as the safety and protection of children is of paramount importance to everyone in this school.

We believe that all children have the right to be safe in our society. Therefore, we recognise that we have a duty to ensure arrangements are in place for safeguarding and promoting the welfare of children by creating a positive school atmosphere through our teaching and learning, pastoral support and care for both pupils and school personnel, training for school personnel and with working with parents.

We understand that radicalization ' is a process by which an individual or group comes to adopt increasingly extreme political, social, or religious ideals and aspirations that reject or undermine the status quo or reject and/or undermine contemporary ideas and expressions of freedom of choice'. (Wikipedia) While extremism is best defined as the holding of extreme political or religious views.

We have a duty to actively promote and embed British values such as 'democracy, the rule of law, individual liberty, mutual respect and tolerance of different faiths and beliefs' within this school and to challenge pupils, school staff or parents who express extremist views contrary to these values. We want to ensure pupils are prepared for life in modern Britain by the active promotion of and respect of British values.

We do not shy away from teaching British values as we believe that schools have a major role to play in upholding them in order to develop children's resilience against extremism and acts of terrorism.

We work hard to ensure British values are embedded across the whole curriculum and the school ethos through spiritual, moral, social and cultural lessons, citizenship and PSHE.

We aim to be judged at least good in all school inspections by ensuring that we have in place arrangements to promote pupils' welfare and curriculum measures in place to prevent radicalisation and extremism.

We will refer any concerns we may have regarding individuals or groups of individuals who have or demonstrate extremist views to the relevant outside agencies as we feel that we have a duty to intervene at the earliest opportunity and to protect those concerned.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
