Whistle-blowing Policy

September 2020

Whistle Blowing

Date	Review Date	Coordinator	Nominated Governor
5.9.2020	5.9.2021	Mrs Posen	Mrs Nahva Rose

We believe this policy should be a working document that is fit for purpose, represents the school ethos, enables consistency and quality across the school and is related to the following legislation:

- Employment Rights Act 1996
- Public Interest Disclosure Act 1998
- Public Interest Disclosure (Compensation) Order 1999
- Public Interest Disclosure (Prescribed Persons) Order 1999
- Public Interest Disclosure (Prescribed Persons) (Amendment) Order 2003
- Equality Act 2010
- Enterprise and Regulatory Reform Act 2013
- Data Protection Act 2018

The following documentation is also related to this policy:

- Equality Act 2010: Advice for Schools (DfE)
- Race Disparity Audit - Summary Findings from the Ethnicity Facts and Figures Website (Cabinet Office)
- Data Protection: a toolkit for schools (DfE)
- Preparing for the General Data Protection Regulation (GDPR) - Information Commissioner's Office

We are aware that the General Data Protection Regulations (GDPR) has entirely replaced the previous Data Protection Act (DPA) making changes to many previous data protection rules and regulations that schools, academies and other educational establishments adhered to under the DPA. The principal aim of the GDPR is to strengthen and unify the safety and security of all data held within an organisation.

We believe whistle blowing is the reporting of suspected wrongdoing in the workplace which is regarded as making a disclosure in the public interest. We actively encourage all school personnel and visitors to school to report any serious concerns they may have about any aspect of the school such as:

- health and safety concerns
- damage to the school environment
- a criminal offence that has taken place or is about to take place
- disobeying the law
- the covering up of a wrong doing
- the conduct of its personnel or others acting on behalf of the school.

We believe school personnel, supply staff, and students on work experience are protected by law if they make a disclosure on any of the above, that is if they think what they are reporting is true, that they think they are telling the right person and if they believe their disclosure is in the public interest. If the law is broken when a disclosure is made

We understand that those wishing to make a disclosure may do so to the Headteacher, to a member of the local authority, to a prescribed person such as Her Majesty's Chief Inspector of Education, to a legal adviser or to a Member of Parliament.

We believe that where the concern relates to an individual's own employment the school's Grievance Policy must be used. However, if the concern relates to something which is against the school's policies, falls below standards of practice or amounts to improper conduct then the procedures in this policy must be used.

We are committed to the highest possible standards of openness, integrity and accountability.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We all have a responsibility to ensure equality permeates in to all aspects of school life and that everyone is treated equally irrespective of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation. We want everyone connected with this school to feel safe, secure, valued and of equal worth.

We acknowledge the findings of the Race Disparity Audit that clearly shows how people of different ethnicities are treated across the public services of health, education, employment and the criminal justice system.

The educational section of the audit that covers: differences by region; attainment and economic disadvantage; exclusions and abuse; and destinations, has a significant importance for the strategic planning of this school.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.

However, school personnel must be aware that if they are treated unfairly after blowing the whistle they should consider taking their case to an employment tribunal.

School personnel have a duty to the school not to disclose confidential information. However, in accordance with the provisions of the Public Interest Disclosure Act 1998 this does not prevent an employee from seeking independent advice nor discussing their concern with the charity Public Concern at Work.

School personnel should consider reporting any concerns to their line manager; the Headteacher; Chair of Governors; the local authority; their union or association; Ofsted; the Children's Commissioner; the NSPCC; or the whistle blowing charity Public Concern at Work.

But initially they should raise the concern internally before using a public agency.

School personnel must be aware that all raised concerns are investigated and every effort is made to ensure confidentiality for all parties. When a concern has been raised the following procedure must be followed:

This policy has been equality impact assessed and we believe that it is in line with the Equality Act 2010 as it is fair, it does not prioritise or disadvantage any pupil and it helps to promote equality at this school.

The practical application of this policy will be reviewed annually or when the need arises by the coordinator, the Headteacher and the nominated governor.

A statement of the policy's effectiveness and the necessary recommendations for improvement will be presented to the Governing Body for further discussion and endorsement.
